

November Museletter

Its the beginning of the Holiday Season!
We are excited to announce 2 unique New elements added to our menu...
and share some fun highlights from our busy October!

New Lyra!

We are excited to announce our brand new
Custom-built Gold Freestanding Lyra!

Sometimes called a Lollipop Lyra... this is a great way to have
Aerialists at an event without dealing with all the issues of ceiling rigging.
It is also a great place to have an electric violinist perched playing music or
a beautiful costumed performer pouring champagne into your guests glasses!

These pics are from Dr. Seuss 'themed Contortionists dressed as
the Red Fish & Blue Fish for an event booked by Innovative Entertainment.

Pricing starts at \$2,000

our unique Constellation Skirt and its
ready to welcome your guests. An
obvious choice for tech & futuristic
themed events... as you can see
here it also translates nicely to
elegant themes.

Testimonial

"We absolutely LOVED having you all out at [Light The Night](#) again this year. I'm so glad we were able to have 6 of you all decked out in glowing red, white, and gold. It was truly special. Thank you so much for the care and detail that I know went into building the outfits.

Thank you again! Already looking forward to next year."
